Hadhrat Mirza Masroor Ahmad (atba) Fifth Successor of the Promised Messiah(as)

- Hadhrat Mirza Masroor Ahmad, Khalifatul Masih V (atba) is the great grandson of Hadhrat Mirza Ghulam Ahmad (a.s), the Promised Messiah & Mahdi, and the Founder of the worldwide Ahmadiyya Muslim Community in Islam.
- Our present Huzur (atba) was elected to the Office of Khalifatul Masih on 23rd April 2003 after the demise of Hadhrat Mirza Tahir Ahmad, Khalifatul Masih IV (ra). Before becoming Khalifa, Huzur was **Nazir Ala'** the Chief Executive Director of Sadr Anjuman Ahmadiyya Pakistan and local Amir.
- Huzur (atba) graduated with his B.A. degree from Talim-ul-Islam (IT) College Rabwah and in 1976, he obtained his Master of Science degree in Agricultural Economics from the Agriculture University of Faisalabad, Pakistan.
- In 1977, as a young man, he devoted his life for Islam (i.e became *waq-fe-zindagi*) for service of faith and mankind. He was posted to Ghana for eight years, as School Principal for six years, and as Manager of Ahmadiyya Agricultural Farm in Depali for two years. Interestingly, under his initiative, wheat growing was successfully experimented and promoted.
- On return from Ghana in 1985, our present Imam held various senior positions in Jama'at over the years including aforementioned post of Nazir A'la since 1997. He was unfairly charged under the *Anti Ahmadiyya Ordinance of Pakistan*.
- As the world of Islam knows too well, the blessings of *Khilafat in Islam* had ended with the untimely demise of Hadhrat Ali (r.a), the fourth Khalifa Rashid of the Holy Prophet, Muhammad (pbuh). But as prophesied by the Master Prophet Muhammad (pbuh) himself, Khilafat was to be re-established in the latter days and it was going to be *daimi* –that is it was to last infinitely provided that the Muslims remained on firm faith and performed good deeds. Therefore, the election of Hadhrat Mirza Masroor Ahmad in April 2003 as Khalifatul Masih Fifth is a milestone in the history of Islam. This is a clear and unambiguous proof of the fulfillment of the Holy Prophet's prophecy about the rejuvenation of Islam in the latter days.
- Since taking office of Khilafat our Imam has continuously reminded members of the community to hold firm the rope of **bai'at** by strictly following the *Ten Commandments Initiation to Ahmadiyyat*, which were laid down by the Promised Messiah and Mahdi (a.s), Hadhrat Mirza Ghulam Ahmad (1835-1908).
- Huzur (atba) announced that the Centenary Celebration of Khilafate Ahmadiyya is going to be celebrated in the year 2008.
- May Allah Almighty bless our Spiritual Head with good health and longevity to continue taking the Jamaat to even higher spiritual heights, Ameen!

Our Jalasa Salna

Hadhrat Promised Messiah (Peace Be Upon Him) Said;

Following are some of the sayings of the Promised Messiah about the importance of Jalsa Salana and its blessings for the Jama'at.

1. **Change of Heart:** The aim and object of this Jalsa is that the members of our Jama'at bring about such change in them that their hearts turn fully towards the Hereafter. They may develop fear of God in them and become models of virtue, *taqwa* and feelings of sympathy for others. They should have mutual love and brotherhood for one another. They should be meek, humble and truthful and remain ready for campaigns of faith.
(Roohani Khazain vol. 6, Shahadatul Quran p. 394)

2. **Keep Our Company:** The purpose of this Jalsa is that love of this world should cool down and love of Allah and of the Holy Prophet (saw) should dominate in their hearts. To achieve this goal, it is imperative that one should remain in (our company) for some time and spend a part of life in these pursuits. ... Brothers must come to see us. The bai'at is futile if after joining the movement, meeting is not given due importance, then (Bai'at) remains void of blessings and will just remain formal.
(Aasmani Faisla p. 351, reference Roohani Khazain vol. 41)

3. **Good Strategies For Creating Religious Sympathy:** One of the objects of this Jalsa is to propose good strategies for tabligh in Europe and America. It is because it has been proved that the white people of these countries are now ready to accept Islam. (Majmoo'a Ishtaharat vol. 1, pp. 340–341)

4. **Not Everyday Function:** Once again I write that people should not consider this Jalsa an everyday function. This is based on pure divine support and for propagation of Islam. Its foundation has been laid by Divine Hand and nations have been specially prepared who will very shortly join us. This is the work of The Omnipotent God for Whom nothing is impossible. (Ishtahar dated 7th December 1891)

In the end, I pray for everyone who travels for this Jalsa that is held for the sake of Allah. May Allah be with them and grant them ample reward. May He shower His mercy on them. Their distresses and diversities may become lighter for them. May He deliver them of their sorrows and afflictions. The doors for the fulfillment of their desires may be opened for them.

May they rise in the Hereafter with those on whom will be His Grace and Mercy. May He be the Protector of their families who are left behind till the end of their journey.

O my God, Who is Great, Merciful, Beneficial, grant all our supplications. Grant us supremacy over our opponents with brilliant signs as You have all the might and power. Aameen thumma Aameen. (Ishtahar dated 7th December 1892).
